

TO WHOMSOEVER IT MAY CONCERN

This is to certify that we have installed a Sewage Treatment System from **Bio-Microbics Inc. (USA)** in January 2013. The system has been functioning very well with minimal maintenance and no operator. The treated water is being used for gardening.

We are satisfied with the service provided by **M/s BioWater Treatment Systems LLP** and testify to their technical competence. They have carried out the work to the required standards and their overall performance has been excellent.

We wish them success in their future endeavors and have no hesitation in recommending their services.
